## Nuisance Complaint Filed By City For Pool Abatement

### A CRYING SHAME . . .

SHORTLY AFTER the arrival of our First Prize Float to the display grounds in Sierra Madre, children maliciously tore it to ribbons.

SOME OF THE CHILDREN shown tearing the float, taking valuable instruments, stealing the dolphins wiring and inexcusably causing over \$400 worth of damage.

WITH CLUBS, ROCKS, hands and whatever was handy, local boys tear into our prize winning float minutes after arrival in Sierra Madre. Parents should immediately question their children as to their participation. See to it that valuable parts and instruments are immediately returned to the Float Association.

## Bill Powell Services Held Wed.

The entire community was saddened over the weekend to hear of the death of William Lee Powell, age 73, of 21 E. Bonita Avenue in this community.

Although Bill was a retired manufacturer's agent from Thiolok Corporation, he was very active, with his wife Eleanor in the real estate business in Sierra Madre.

Bill came to California from Massachusetts and New York City 13 years ago and lived in Sierra Madre since that time.

He leaves to mourn his passing his wife Eleanor of the home address; one son William P. Powell of Las Vegas and one daughter, Mrs. Barbara Jean Berry of West Mansfield, Mass., and five grandchildren.

Recitation of Rosary was held Tuesday evening at 7:30, with Requiem Mass Wednesday morning at 10 at the Passionist Fathers' Monastery Chapel with Rev. Thomas J. O'Malley officiating.

Bill passed away Saturday, January 6, in the Methodist Hospital of Arcadia, after a brief illness. Interment was in Resurrection Cemetery, S. San Gabriel. Ripple Mortuary of Sierra Madre handled the arrangements.

## Del Comer Receives Endorsement

Wednesday afternoon Del Comer was presented with a list of citizens who numbered themselves among the many who have endorsed him as the most suitable candidate for the vacated council seat he hopes to attain.

Upon presentation of the list by his campaign chairman Del stated, "I am proud to find there are so many citizens in Sierra Madre who realize and agree with my position on city government. People who know I am not associated with any political faction and that my interests and intentions are to better our community without destroying the quaintness which we enjoy. Others who have worked with me on the Foothill Area Association and know my endeavors are aimed at the betterment of this town from within, not from without. And still others who have told me there is an ever-increasing need for a stabilizing force in our city council. To these and all other endorsers I would like to give my thanks and hope I have the opportunity to serve them as an elected representative for a good

## Maddox-Wagner Only Two Left Who Could Have Revived Variance Matter

## Wagner's Switcheroo Tactics Again To Cost Taxpayers

At 9:14 a.m. Tuesday morning, January 9, City Attorney Martin followed the wishes of Councilwoman Maddox and Councilman Wagner, when they and ex-mayor King voted against Councilman Sorensen and Councilman Parks, and ordered the ABATEMENT of the swimming pool of Mr. and Mrs. Donald Konkler, 20 W. Grand View.

City Attorney Martin filed a complaint in court to abate the public nuisance, it being known as the People vs. Donald and Irene Konkler. The complaint was served on the Konklers early Wednesday morning by the Marshal's office.

The Konklers and their attorney now have a ten day period in which to answer the complaint and set a trial date. Should they not answer the complaint then the court will issue a Default Judgment on the grounds of contempt of court. In this event the city would then proceed to abate the nuisance of the swimming pool and charge the expense of same against the taxes of the property.

This fiasco was the act that lit the powder keg, causing the resignation of Councilman Parks, who pleaded for the Konklers on the grounds of a mistake made by city personnel. After the resignation of Parks, then Rule was appointed to fill his vacancy which brought forth the Quo Warranto Proceedings, and from here on out very little but trouble has come out of City Hall.

As the reader may remember, if not we recall: heated debate on a swimming pool, that the council had been instructed "does not exist," was very prevalent in May between Councilman Parks, Councilman Wagner, Councilwoman Maddox and Mayor King; Councilman Sorensen was on vacation in Hawaii at the time.

Vote after vote was taken at this meeting to give the Konklers the variance which had been twice recommended and approved by the Planning Commission, and to allow the installation of the pool to remain (that wasn't there). Councilman Wagner and Councilman Parks voting YES; Councilwoman Maddox and Mayor King voting NO.

A 2 to 2 stalemate was

Attorney John Larson, representing Ralph R. Rule in the recent Quo Warranto proceedings, having accepted an appointment to County Counsel office must now cease all private practice.

A meeting of the attorneys and judge to set the definite trial date last Friday was postponed until Friday, January 12 to give time for Ralph R. Rule to select and

## Professionals Have Training Gordon Rudolph Gives His Views On City Budgets

Subject: Sierra Madre's Budget.

By Gordon Rudolph, Engineering Administrator — filed for Sorensen's Council seat — February 20 election.

It appears that one of the major problems of our, and most other City Councils, is the budget. I have had considerable experience in

working with budgets and I am convinced that it is a job well left to experts. As a teur, experimenters and laymen can do long range disservice to a community when they, even in good faith, attempt to do the job of the professional. As a former school board member having seven years experience, I worked with many budgets, each in the \$10 million category (ten times the Sierra Madre budget). But as board members, we hired, admired and supported a competent administrative staff who knew our long range goals, our short term finances and the hundreds of other problems. These experienced administrators produced budgets that were a marvel in completeness and usefulness.

I have learned to have a great respect for the professional administrator in the budget preparation process. When I see council members, who think they are experts, make up their own budgets, not availing themselves of professional help, I can't help but wonder if they are motivated by some other reason than helping their community.

### Bagnalls Enjoy New Year's Day

Under the Christmas tree at the Bagnall residence at 360 Ramona were four Pan Am jet tickets to Hawaii from ol' Santa himself.

Bill and Shirlee Bagnall and their two children, Robert and Tracy Ann, left on December 27 for an eight-day vacation in the islands, returning here on the 4th. They spent five days on the island of Maui and the last three days in the city of Honolulu, on the island of Oahu.

In addition to reporting that the scenery and weather were perfect, they devoted a couple of hours to watch the Rose Bowl Game on TV. The Tournament of Roses Parade was not shown "live" in the islands, whereas the game was, via tele-star transmission. "Nothing like going to Hawaii to watch the Rose Bowl Game," they remarked!

## Prizes Won At Rose Float Tent Dec. 31

Prizes were awarded to two local citizens at the New Years Eve festivities at the Rose Float Tent, December 31. Mr. George Burke of Olivera Lane was awarded a portable color television set and Mrs. Agnes Pape of Colony Drive received a Polaroid Color Pack Camera. Miss Susie Hauck, 11 years old, was presented a transistor radio for collecting the largest amount of donations.

Mrs. Mert Waite and Mrs. Nancy Throop and their flowering crew began work on Friday morning and finished the large Kon Tiki float approximately 10:30 Sunday night. Sierra Madre's float was the first to reach the formation area on South Orange Grove at approximately 12:30 a.m. Monday morning. Construction chairman Howard Glass drove throughout the parade with Richard Mays and George Lucas as observers.

General Chairman Ralph Rule has offered a large "thank you" to all of the many merchants, local organizations, and private citizens who supported this float with their donations of supplies and funds. This is a community effort and could not be done otherwise. This float, the largest ever attempted by Sierra Madre's volunteer group, won first place in its class.

## Baseball Ass'n To Honor Past Presidents

President, Yvonne Osti, of the Sierra Madre Baseball Auxiliary, has announced that the first meeting of the year will be held Wednesday, January 17, at 8 p.m. at the Park House.

All members and prospective members are urged to attend as this meeting will honor the following women who are past presidents of the auxiliary:

Myrt Waite, Virginia Lighthizer, Phyllis Bennet, Billie Stine, Penny Falco, and Betty Stuart.

Marian Adkins, hostess for this year, is planning a lovely evening and members are urged to attend.

## J. Abernethy To Head New Zoning Body

Former Mayor James F. Abernethy has been selected to head the new Zoning Board of Appeals at its meeting last Thursday night. He was selected by a unanimous vote of the members present.

Other officers and the selection of the method of determining which members will serve for the original one, two or three year offices will be discussed and acted upon probably at the next meeting of the group.

The first official action of the board was the granting of a lot split for property at 263 W. Highland, on the application of T. C. Pollgren. This will create a "flag lot" at the rear of the property with a 17 foot easement to be granted. The granting of the split was by a unanimous decision of the four members present.

The second public hearing was for a lot split-variance for Engman P. Jacobsen, for property at 450 W. Montecito. Two alternate plans were submitted, one to create a "flag lot" and the other to create two lots with frontage on Montecito with a variance needed because of a slightly over one foot deficiency in frontage.

The later course of action was granted by a unanimous decision of the body. Both decisions were granted with numerous stipulations and subject to the 15 days waiting period for possible appeal action.

The final action of the board was the granting of a lot consolidation for property at approximately 522 W. Sierra Madre Blvd. where a 14 units multiple apartment dwelling will soon be erected.

The board will meet on the first Thursday of each month at 7:30 p.m.

## Second Year For Toy Soldiers

A gay Christmas party was the climax of the second year for the "Toy Soldiers." There were games, prizes, supper, a Christmas tree and presents. It was a "fun" evening for these girls who help at the Toy Loan.

The first meeting of the new year will be Thursday, January 18, promptly at 7 p.m. in the Park House. Any girl over nine years old, who thinks she would like to join this service group or just find out about it, is invited to come to this meeting.

This is a chance for girls who have enjoyed the privileges of borrowing toys, to help keep the toys in good condition. They think it is fun.

The Toy Loan is open again after closing briefly for the holidays. Regular hours are on Tuesday and Thursday from 2 - 5 p.m. and for children who go to afternoon school sessions on Thursday from 10 - 11 a.m.

The special event being planned now is the semi-annual "Honor Roll" Party to be held on Wednesday, January 24, at 7 p.m. in the Sierra Mesa School Cafeteria. Children who have earned honor gifts in the last six months receive their

EDITOR'S NOTE: Donald Konkler, in the next six issues of the Sierra Madre News, will give you the complete story of the City's demand for the abatement of his Swimming Pool. He will show you where Mayor King, Councilman Wagner and Councilwoman Maddox violated the Brown Act. Councilman Sorensen is the only one left who realized the city's error and was willing to give him a green light, but Wagner - Maddox-King said, "Out with the pool."

Dear Editor, It was with disbelief and then disgust that I read about the shabby treatment Jack Overholt received from the "tricky duo." It would seem they would rather "switch than fight" and switching seems to be their favorite pastime.

My family and I recall quite well, the "switcheroo" that Councilman Wagner pulled in June of 1967 to relieve all the pressure he must have been under. If I may digress to this "switcheroo," we can't seem to understand why the learned council member felt it necessary to circulate a multi-page document trying to justify his "switcheroo." We cannot ascertain why this document was circulated to business people in this city. Is it that some things look pretty lumpy when swept under the rug? We have not even begun to discuss the verisimilitude in the document!

Why in the world would this council member state that if we, the Konklers, applied for the permit ourselves, he would have voted in favor of the variance. Is Councilman Wagner prejudiced against contractors? Incidentally, a permit is not even listed as one of the criteria required for a variance.

Is there room in this city's government for prejudice against anyone? Can council members, in good conscience, discriminate against people of this city who apply, pay fees and look to the governing body for guidance in developing their property? Can council members, in good conscience, leave the council chambers and circulate documents to the citizens of this town containing inaccuracies?

Well, Jack Overholt, you are a fine young man! Perhaps you should be grateful that you have been spared

the time you would have invested in a thankless job. You are much too fair and open minded to have been treated in this shameful manner, and my family and I hope that the people of Sierra Madre will take steps to see that this is not allowed to happen again.

Donald L. Konkler

It's kinda hard to keep this column out of the political area when everything around us revolves around the election of February 20, an election that is so unnecessary and uncalled for, but certain members of the Council thought it was necessary, so away we go, where she will stop, nobody knows.

Speaking of Council members, I have been asked time and time again why Councilwoman Maddox and Councilman Wagner did not promote a candidate to file in their positions . . . the answer is very simple . . . "All Hog or none."

Really it's a political move, one where the candidate thinks they are so well established that they are not going to be removed, so why put up another candidate and fool around with something that is not necessary . . . could be, but it's unfair to the supporters of the candidate . . . if they lose, then their side is all done, and from where we sit at present things look pretty good to us.

We can see a great big change coming over the business district for the coming year. Most of it is in the rumor stages at the present time, but it does have foundation, and these things do have a tendency to show for real when those involved are ready for all of us to know the circumstances.

I was quite amused at Councilwoman Maddox at the meeting of December 27 when it was announced that the Sales tax check from the state was only \$13,000.

Seems that she and Councilman Wagner had decided, in the budget, that they should receive somewhere in the vicinity of \$61,000 for the year, and for a six months period this payment was a mite short.

She tried to treat it as just an incident that would right itself with Christmas business. Guess she has not been studying her sales tax charts for the past year or so. Guess she does not know that Sierra Madre is dropping, dropping and dropping in business sales.

Last year, for instance, if my memory serves me well, we had an overall drop in business of around 7%. Now this year we have an additional drop of another 8%.

With population increasing, prices going up, Sierra Madre seems the only town in the San Gabriel Valley that is on the downgrade in business.

It doesn't take a lot to figure out why this is all happening . . . When you shake up the natives of an area, keep them in complete turmoil, they do seek other places to spend their money. They kinda get tired of hearing about all of the troubles, and brother, I am sure that Councilwoman Maddox and Councilman Wagner are aware of all the turmoil of City Hall the past year.

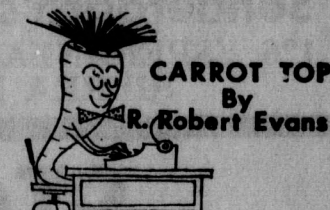

Then again, if you are in doubt, check with the real estate people of Sierra Madre. Here is a business that is almost at a standstill. People have heard too much about the controversy of Sierra Madre, and just do not want to live here.

You should hear what the contractors have to say . . . men who build houses, sewers, apartment houses, and just general contractors . . . They will do anything to keep from going up against the elements of "City Hall."

### Doyle-Dooley Wedding Vows Recited At Passionist Fathers' Monastery

MRS. RICHARD THOMAS DOYLE  
 ... Nee Margaret Louise Dooley

On Saturday, December 9, Miss Margaret Louise Dooley became the bride of Mr. Richard Thomas Doyle in a noon ceremony in the Chapel of the Passionist Fathers' Monastery with Father Thomas O'Malley, of St. Rita's offi-

each tier edged in a hand dipped pattern encrusted with seed pearls and sequins. A tiara of sequins and seed pearls held a fingertip illusion veil in place. The bride's bouquet was of white roses and stephanotis.

Bridesmaids were Mrs. George Franklyn of Arcadia, and Mrs. Patrick Craig Arnold of Pasadena. Miss Patricia Marie Pawlacyk of Anaheim — a close friend of the bride since grammar school days — was the maid of honor. They wore floor length sheaths of avocado silk chiffon. The lovely gowns were further enhanced with long sheer sleeves and a float panel for back interest. On their heads the bridesmaids wore avocado bows with veils. Floral crescents of red roses were carried by the girls.

Serving the bridegroom as best man was his brother, Mr. Patrick A. Doyle of Lakewood; Mr. James Donald Doyle of Huntington Beach and Mr. Michael Doyle of Long Beach were ushers for the wedding of their brother.

Nuptial Mass was served by Master Robert Doyle of Lakewood, brother of the bridegroom, and Master Thomas Doyle of South Gate, a cousin.

Out of town guests included the bride's father, Mr. Jack C. Dooley, who gave his daughter in marriage, and Mr. William Dooley, the bride's brother, both from Show Low, Arizona.

A wedding reception for 200 guests was held in the Santa Anita Room at Eaton's Restaurant in Arcadia.

### A Community Calendar Now In City Hall

A 1968 community calendar has been hung in City Hall's entry way by the Sierra Madre Hospital Auxiliary. "We invite all community groups and organizations to post their meeting times and dates of forthcoming events on the calendar," states Mrs. Jack J. Tilley, auxiliary president. The large calendar which has line spaces for each date, was donated by the group as a community service. With the many and busy groups in Sierra Madre, regular use of the calendar will help to avoid conflicting dates in planning events.

This is the second year the auxiliary has hung the calendar. Many groups used it last year and will continue to be of value only if the organizations will use it regularly.

zone, attended Pasadena High School and Pasadena City College.

The bridegroom, son of Mr. and Mrs. James Timothy Doyle of Lakewood, attended Compton College, where he was affiliated with Beta Phi Fraternity, and Arizona State University.

The new Mr. and Mrs. Richard T. Doyle are now at home at 16683 Irby Lane, Huntington Beach.

With the beginning of a new year there are certain things you can count on, just as surely as the fact that night follows day. To be more explicit, you can count on year-end sales, January white sales, and post-season slumps.

Now the post-season slump develops all sorts of symptoms. For some it is a complete inertia which makes even the simplest tasks seem monumental. For instance, it is easier to stay in bed than to have to get up and make it. Planning meals after a long period of ham, turkey, and all the by-dishes of same seems impossible. Housekeeping is certainly uninspiring and chances are that the house was thoroughly routed out during the after Christmas pick-up and ornament sort-time.

For some, the P-S-S makes them so restless after several weeks of pressure and social activities, they find it nigh onto impossible to stay home and tend to the little daily chores. You find them speeding out in the morning, frantic to get down to the stores to do their shopping. It is on this that the merchants are depending to boost the early 1968 economy. I am kind of suffering from this affliction, but have

had to quell my restless spirit due to over-spending during the pre-Christmas rush. It will undoubtedly give me some sort of a deep-seated trauma to be thwarted, but my better half reasons that it may save him from declaring bankruptcy.

In lieu of staying in bed and/or shopping, I am making up prodigious lists of things I want to do to the house in 1968. I figured if I have lists staring at me, I might perchance accomplish some of the things I intend to do, and if that fails, I can always go back to bed!

Suddenly it's club time again and they, too, are feeling the economic pinch.

The Eugene PTA has a delightful plan for swelling their coffers and at the same time make it fun to contribute. On Wednesday, the 17th of January, they have reserved seats at the Glendale Circle Theater for the provocative play, "Heaven Can Wait." They are selling the tickets at the ridiculously low price of \$1.75, and all seats are reserved. I am told by a reliable source that although there is a limited number of tickets available, they can still be purchased if you call immediately. In the Hastings Ranch area you may contact Elva Reid at EL 5-8680. In the Sierra Madre Villa area, Audrey Devine will have tickets. Her number is SY 8-6324. For your convenience in the Kinneloa area, Carol Benedict can be contacted at SY 1-1346.

It will be a nice change from post-season-slump, so get on the phone and join the gang.

The Villa Guild of Rosemary Cottage is getting back into full swing again after a few months of inactivity. Their next social event will be a dinner and games party on January 27. Their president, Mrs. Francis Howell, promised me that she would have more definite news for me after the board meeting, which was held to finalize the plans. The Villa Guild has gotten a reputation for having unusual and outstanding parties, and although it takes a lot of planning, they have no intentions of letting their followers down. She did tell me that this party would be limited to fifty couples, so that means it will be on a first come first served basis.

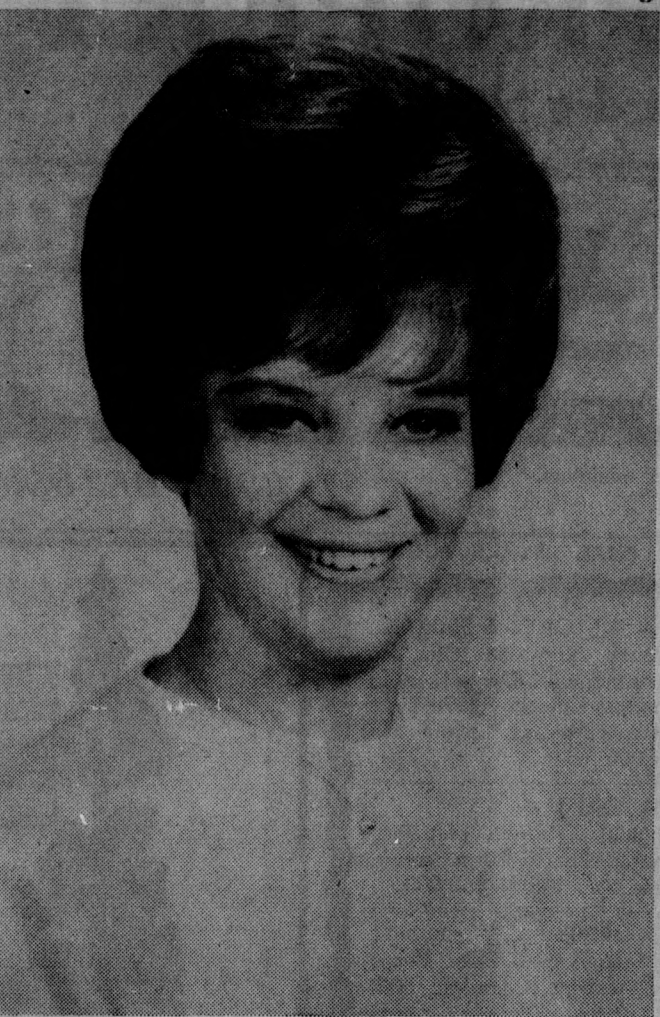

Incidentally, the Howells just returned from Carmel where they spent New Year's Eve at the Highland Inn. She said it was a most unusual evening and if you have never heard "Auld Lang Syne" play on the bagpipes, you have never heard.

### Luncheon

Mrs. Henry Danowsky, president of the Sierra Madre Auxiliary of the Crippled Children's Guild, will preside at the monthly luncheon meeting at the Antique Inn in Pasadena today. The principal order of business will be discussing the annual Bal Mystique to be held this year on March 30. Chairmen of the different committee will give their progress reports.

## Green-Herrold Betrothal Announced To Family and Friends of Community

MARY L. GREEN  
... Engaged

Miss Mary L. Green and William Norman Herrold, Jr., recently announced their engagement to their families and friends.

Mary is the daughter of Mrs. S. H. Green and the late Mr. S. H. Green. She was formerly of Michigan and now of 1183 Bella Vista in Pasadena. Mary attended elementary schools in Michigan and Pasadena High School.

William Norman Herrold, Jr., is the son of Mrs. Alyce

Herrold of 185 N. Mt. Trail in Sierra Madre and Mr. William N. Herrold of Conoga Park.

William, or known to all as just Bill, was born in Chicago and lived in Mexico for a brief time, coming to Sierra Madre 18 years ago. He attended Sierra Madre Elementary School, the John Marshall Jr. High, Pasadena High and two years at PCC.

The young couple has not set a definite date for their wedding, but have tentative plans for a mid-year ceremony, with wedding vows to be recited at the Assumption of the Blessed Virgin Mary Church in Pasadena.

### Retired Officers Hold Installation

On the occasion of his first formal visit to the San Gabriel Valley Area Chapter of the Retired Officers Association, the Regional Representative of the Retired Officers Association in Washington, Lt. Col. John H. Downing, Jr., has also consented to conduct the annual Installation of Chapter Officers on Friday evening, January 19.

The installation ceremony will be held during the regular monthly dinner-meeting of the chapter.

In honor of the occasion, the Pasadena High School Junior ROTC unit will furnish the color guard to open the meeting before the Pledge of Allegiance and blessing by the chapter chaplain, and entertainment will be provided by the Madrigal Singers.

### Alpha Chi Omega Alumnae Meeting

Alpha Chi Omega Alumnae of the San Gabriel Valley Evening group will hold their January meeting on Wednesday evening, January 10, at 7:45 p.m. at the home of Mrs. John Dumas, 1227 Louise Ave., Arcadia. The program will feature Mrs. Eileen Wood and her marvelous program of "History of Hats." Mrs. Wood has a fascinating collection of hats, and using members attending as her models, will relate the history of each hat. The evening should prove to be most interesting as well as enjoyable for all.

Assisting Mrs. Dumas as hostesses will be Mrs. Robert Severson of San Gabriel, and Mrs. James S. Draper, also of San Gabriel.

Any Alpha Chi Omega Alumnae in the area are cordially invited to attend and may make reservations by contacting Mrs. Dumas.

### Hobby Show For January 16

Mrs. Harold D. Wiener, president of the Shakespeare Club invites all members to participate in the Hobby Show Tuesday, January 16. Luncheon will be served at noon in Stratford House dining room.

For those who have been collecting butterflies, elephants, snuff boxes or perhaps cast off string, this is a wonderful opportunity to exhibit your interesting items for members and guests to enjoy.

Among other displays to be shown will be Mrs. James C. Chambers' collection of owls and Mrs. William C. Ricks' collection of miniature vases.

Entries must be in place by 11 a.m. Mrs. Alfred C. Alig, chairman.

Personals are \$1.25 and can be placed in an envelope and placed under the door no name needed. No charges accepted.

#### PERSONALS

HEY, BARBARA — Remember when we used to have penny postcards? Same with expert Drycleaning and Laundry, only in reverse. I remember when shirts were 35c and 40c each. Not at Vogue Cleaners and Laundry . . . 4 for 99c. I also remember SKIRTS at a low of 75c to a high of \$1.25. Not at Vogue . . . All Skirts 49c. Hurry, it's truly DISTINCTIVELY PROFESSIONAL WORK —SUE

#### PERSONAL

**SULLY** — Remember when Councilwoman Maddox pounded on the counter and said "Either enforce the Ordinances on the books, or strike them out." Too bad that Embree did not post her property for weeds at the time, but Don Konkler and his family will have to fight for their rights to have a swimming pool . . . Maddox and Wagner voted TAKE IT OUT. — BBH and TURNBULL

#### DEAR EDITOR BOB:

Jack Miller should stick to meddling with City Council tapes and not show his complete ignorance of City affairs by making such profound, but totally incorrect statements as he did in last week's Green Sheet "that they have had enough of appointed councilmen who then run as incumbents. Two such incumbents were soundly voted out of office at the polls." It will come as a great surprise to Jim Abernethy that he was ever appointed to the City Council. Miller, a Johnny-come-lately, shows the effects of being tutored by Ed and Jan, who are also noted for irresponsible statements.

**SWITCHEROO** — You're just a little mixed up in your bookkeeping at City Hall, are you not? What happened to the month-by-month accounting that would only take a couple of minutes a month? — TAXPAYER

#### 3 Films By Friends of S.M. Library

The Friends of the Sierra Madre Library will present three short films Saturday, January 13 at 10 o'clock at the local library for the enjoyment of the children.

"Many Moons" is a 10 minute color film telling the story of a ten year old princess who declares she will recover from an illness if she can reach the moon.

"Story of a Book" is an 11 minute film of photography showing authors creating their book "Paggo the Hermit Crab." Also on the same billing will be a film of the very popular story "Five Chinese Brothers." Everyone is welcome.

#### Nuisance Complaint Filed By City

very evident and it was decided that the situation would be held over until Councilman Sorensen returned. When he returned he would be given the tapes to study relative to the presentation of Attorney Susan. He would be given the minutes of the meeting to study. After this he would be asked by the City Attorney if he felt he was sufficiently informed to vote on the matter. When asked, he stated that "He was ready."

Councilman Parks made the motion to the effect that they were sitting as a judge ex officio and had the power to grant the variance. There was a long pause, when Councilman Sorensen stated that to bring the situation to a head he would second the motion.

On roll call vote, Councilman Wagner pulled a SWITCHEROO, the vote was NO, Councilwoman Maddox, Councilman Wagner, Mayor King. Yes, Councilman Sorensen and Councilman Parks.

At this point Councilman Parks called the Council a "CIRCUS" and left the Council table, only to return on June 20 with his formal resignation.

The abatement of the pool was set for December 20, this not having been accomplished, and since Councilman Wagner and Councilwoman Maddox were the only ones that could have revived the decision from the table, and the City Attorney had been instructed to abate, the complaint was filed and now another Law Suit for the city is now with us.

Councilman Wagner gave as his reason for the SWITCHEROO was that he thought the permit had been issued to Konkler but when he found it had been issued instead to Anthony Pools, he changed his mind. This very reasoning had been declared invalid during the public hearing portion of the Variance request before the Planning Commission. The Deputy City Attorney ruled that "who applies for a variance must not make any difference in the ruling by the group."

## TAKE YOUR PROBLEMS TO CHURCH THIS WEEK—millions leave them there!

come Look at the snow, mommy!

#### THE CHURCH FOR ALL . . .

ALL FOR THE CHURCH  
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

There she was—blue eyes, rosy cheeks, thirty-five pounds of joy bundled up in a warm, wooly snowsuit. How could I resist her request—even if the ironing weren't done, and there'd be no pie for dinner. I pulled on my parka and went outside to join her.

We walked through the frosty winter world together and I seemed to see it anew through the eyes of a three-year old. Our commonplace street was miraculously frosted and furnished in silvery whiteness. From every corner beauty sparkled and shone.

And then we came to our church. It looked like a beautiful Christmas card, with the snow glistening blindingly from icy windows. Susie exclaimed, "Oh, Mommy, look—God is shining through!"

"Through the eyes of a little child" . . . this thought rang through my head, and I prayed that God's presence would always shine for her through the windows of God's Church.

## Out of the Cobwebs

by NANCY BRYAN

The New Year was rung in with a champagne dinner hosted by Gilbert and Lois Yorba of 541 San Gabriel Ct. Dinner guests, Mr. and Mrs. George Trebing of Arcadia and Mr. and Mrs. E. W. Holland of Glendale helped the Yorbas welcome 1968.

Mr. and Mrs. Gilbert (Lois) Yorba spent the Christmas Holidays in Oxford with a nephew and family — Mr. and Mrs. Michael M. Yorba and two small children. They had a lovely time and the seaside weather was beautiful during their visit.

Don F. Schindler, along with grandson Don Richter of Covina, recently drove down to Baja, California for a sort of look-see with time spent in Tecate and Ensenada. It was a very relaxing trip and on the way home they stopped in Temecula, California at the Rancho Del Paisano to say hello to a Schindler family friend of long standing, Mr. Erle Stanley Gardner. Don's brother, the late Raymond C. Schindler along with Mr. Gardner and Lemoyne Snyder (inventor of the lie detector) organized the Court

of Last Resort under the sponsorship of the Argosy Magazine in which the progress of their investigations was reported. Most of us have heard of the Court of Last Resort, but for those of you unfamiliar with the "Court," their purpose is to re-examine evidence by which certain prisoners serving life sentences may have been wrongly or falsely imprisoned. A number of individuals were subsequently found to be not guilty and released from prison through the "Court's" efforts and findings.

Don and his grandson, who report that Mr. Gardner is still very involved — both in his work and his many varied outside interests, had a short, but most enjoyable visit with the famous author. At the time of the visit, Mr. Gardner was quite busy as he had a literary deadline to meet. Purportedly, the gentleman's writing skills keep two or three stenographers busy all the time.

Mr. Schindler, an associate of the John H. Curtis Realty, lives with his wife Nina at 703 Manzanita.

## FROM THE Fire Side

Assistant Fire Chief John Goodall and his wife, Peggy, got a once in a life-time panoramic picture of the Sierra Madre Fire Department in action.

They were walking down the Mt. Wilson Trail from Mt. Wilson and as they hit the last turn in the trail above the city they heard the fire horn blow. They could see the smoke rising from the brush fire. With the aid of binoculars they witnessed the Fire Chief rolling from his home; the Fire Prevention truck moving in from Lilano Dr.; the two Crown truck approaching from Station 1. They saw the smoke change to steam and finally just a few small wisps of steam and then nothing. They could see the trucks preparing to return to the station and securing equipment.

It is not too often that a fireman gets a panoramic view of his comrades in action.

—VFD—

Some people will go to any length to get in a bit of practice. Lee Graves rolled to the station the other week when they pulled a radio test. He didn't wait for the address and just took off like a big bird. Oh well, he needed the practice, any how!

—VFD—

At this same time there were two other firefighters working together, one knew of the test the other was ignorant (of the test I mean). Five minutes before the test was sounded one of them moved out the safe and the desks as though he was doing the end of the year cleaning, and then stood on the other side of the counter awaiting the action to come.

The test sounded... one hollered "Come on elfie" . . . Elfie did not wait for the address, but leaped over the safe, jumped over the type-write on to one desk to another and over the counter.

The other having gone out the door returned and was holding the door shut . . . With eyes as big as saucers, Elfie tried to plead with the holder of the door that there was a FIRE . . . All to no avail . . . When the door was opened little Elfie started on the dead run, feeling that everyone was completely nuts but him.

He was stopped before he embarrassed the entire Fire Department, which of course would have been a horrible ending to a very successful year.

—VFD—

There is the case of a couple of firemen who got their fingers caught in the ring of the line that leads to the fire horn on top of the station house. It just happened to be New Year's Eve at the stroke of midnight when it happened.

Oh well, accidents will happen, and this won't cost more than a \$5 donation for the cuss can next meeting night.

—Workshop—

A YWCA Volunteer Workshop will be held Saturday, January 13 from 9 a.m. until 3:30 p.m. at the YWCA, N. Marengo Ave., Pasadena. All high school and college women interested in learning new skills, working with children from the ages of 6 to 12 are encouraged to attend. For further information call Mary Scollich Thursday afternoons and Fridays at 793-5171.

## To Assist In Celebration

Celebrating the tenth anniversary of Pasadena City College radio station KPCS (89.3 FM) and the 30th anniversary of its organization, Theta Phi Pi, telecommunications fraternity, held a banquet at the Huntington-Sheraton Hotel, Friday, January 5, at 7 p.m., according to Steve Reagan of Monrovia, chairman.

Featured speaker at the banquet was Thomas Freebairn Smith, executive director of the National Academy of TV Arts and Sciences, who will speak on "The Responsibility of Television to the People."

Honored guests included PCC President Armen Sarafian; Administrator Dean of Instruction, Dr. Delmas Bugelli; and Gary Owens, local TV personality who is a member of the advisory committee for the PCC Telecommunications Department.

Assisting Reagan is the following committee: John Delgatto and Jim Hancock of this community, Gary Galvin of Temple City, Ken Kramer of Pasadena, and Ellen Thomas of San Gabriel — all members of the staff of Station KPCS.

A tour of the station's new facilities was held from 5 p.m. to 6 p.m.

How can they just sit there, with all their money, and let your check bounce? Wouldn't you think they'd cover for you? We will. If you open a No-bounce Account with us, what used to be an over-draft will be an automatic loan. Once you're approved, we'll advance from \$100 to \$2400, depending on your own No-bounce Account limit.

Be your own loan officer. When you write yourself a loan, only our computer knows for sure. So it's up to you to decide if a new washing machine is a worthy cause, or if a trip to Palm Springs is a vital short-term investment.

What we get out of it. We're not in business for fun (who is?) so we collect 1 1/2% interest per month on the average daily balance due. Of course, if you open a No-bounce Account just for rainy days and it never rains, you pay no interest at all.

That \$900-million feeling. We are a \$900-million bank, but do we feel haughty and smug? Not a bit. We feel we have to knock ourselves out to help people. After all, we'd never get anywhere sitting around saying "No."

## Security First National Shows Record High Year

Security First National Bank's consolidated earnings, resources, loans and deposits were at record levels for the year ended December 31, 1967, Frederick G. Larkin Jr., president of the bank, reported this week.

Consolidated net operating income for 1967 totaled \$41,307,515, equal to \$3.25 per share, an increase of 47% over 1966. That compares with \$39,457,101, or \$3.01 per share as of December 31, 1966.

Security Bank's fourth quarter earnings amounted to \$10,791,843, equal to 82 cents per share, up 5.6% from the \$10,223,005, or 78 cents per share in the corresponding quarter of 1966.

Larkin said operating results, both for 1967 and 1966, include all the bank's wholly-owned subsidiaries.

He also noted that per share earnings for 1966 are adjusted for the 15% stock dividend declared as of June 9, 1967, which increased the number of shares outstanding from 11,400,000 to 13,110,000.

Total resources as of December 31, 1967, were at a record \$5,617,799,563, against \$5,088,954,493 a year earlier. Loans, less reserves, reached a new high of \$3,016,379,015, compared with \$2,829,833,630 as of December 31, 1966.

Total deposits were at a record \$5,128,940,846, compared with \$4,624,210,444 a year ago.

Demand deposits rose to \$2,496,353,622, as of Decem-

Mr. R. Gallegos of 170 W. Montecito was a passenger aboard the Palm Springs Aerial Tramway this week. The aerial ride, which travels to the 8,500-foot level of Mt. San Jacinto, is one of California's greatest attractions, and has carried more than 1.5 million persons to family fun in the state's finest wilderness area.

Hiking, camping, snow fun and special events make up a "fun" schedule for alpine visitors the year round.

## Mine Maker

A 1,200-ton dredge, the largest single piece of equipment ever used to develop a mine in Northern Manitoba, required 95 railway cars to haul it to the site. It is used to remove overburden at one of International Nickel's mining projects in the area.

OLD HANKUS has been so lousy in the predicting game recently that he has hired an assistant, Kristal Bawle, to help in the future prognostications.

KRISTAL SAYS Bart Starr and his Green Bay cronies will have a dandy time picking apart a good Oakland Raider team in the Super Bowl. The Oaklanders will hang in there pretty good in the first period and even score first on a Lamonica bomb, but it will be 17-7 at halftime and 31-10 for a final tally. Nice going Kristal, anyone could have made a prediction like that.

## DAR To Meet January 15

Sierra Madre Chapter National Society Daughters of the American Revolution meets at 7:30 p.m. on Monday, January 15 in the Parkhouse, 25 S. Hermosa.

To entertain, in addition to the regular business meeting, Miss Karen Guymon, young pianist of Arcadia will present a piano recital. Miss Guymon is a sophomore in the Arcadia High School and piano student with Mr. Ivan Baker who does outstanding work with young people in piano and pipe organ.

The State Society NSDAR has its 4th Conference of the season on the 16th at the U.S. Grant Hotel in San Diego. Mrs. Donald Spicer, state president, will have her after-luncheon speaker, Miss Robley Baskerville talking on, "Focus on Feminine Financial Forte."

Hostesses for the evening of the 15th are Mrs. Arthur Code and Mrs. Lolita Osborne. Chapter regent, Mrs. Gwendolyn Becker, extends, for the chapter, an invitation to all prospective members in the area to attend and learn of the aims of the organization, which are threefold, historical, educational and patriotic.

## Letters to

Dear Editor:  
Thank you, again Mr. Editor, for all of the nice things you have said about the Sierra Madre Rose Float Association and all of the coverage which you have given to our volunteer effort. As you know, all of the funds raised by our organization go directly into the building of the float and we appreciate sincerely all of the free publicity which we receive from you and the many and varied donations which come from merchants and private citizens of our town.

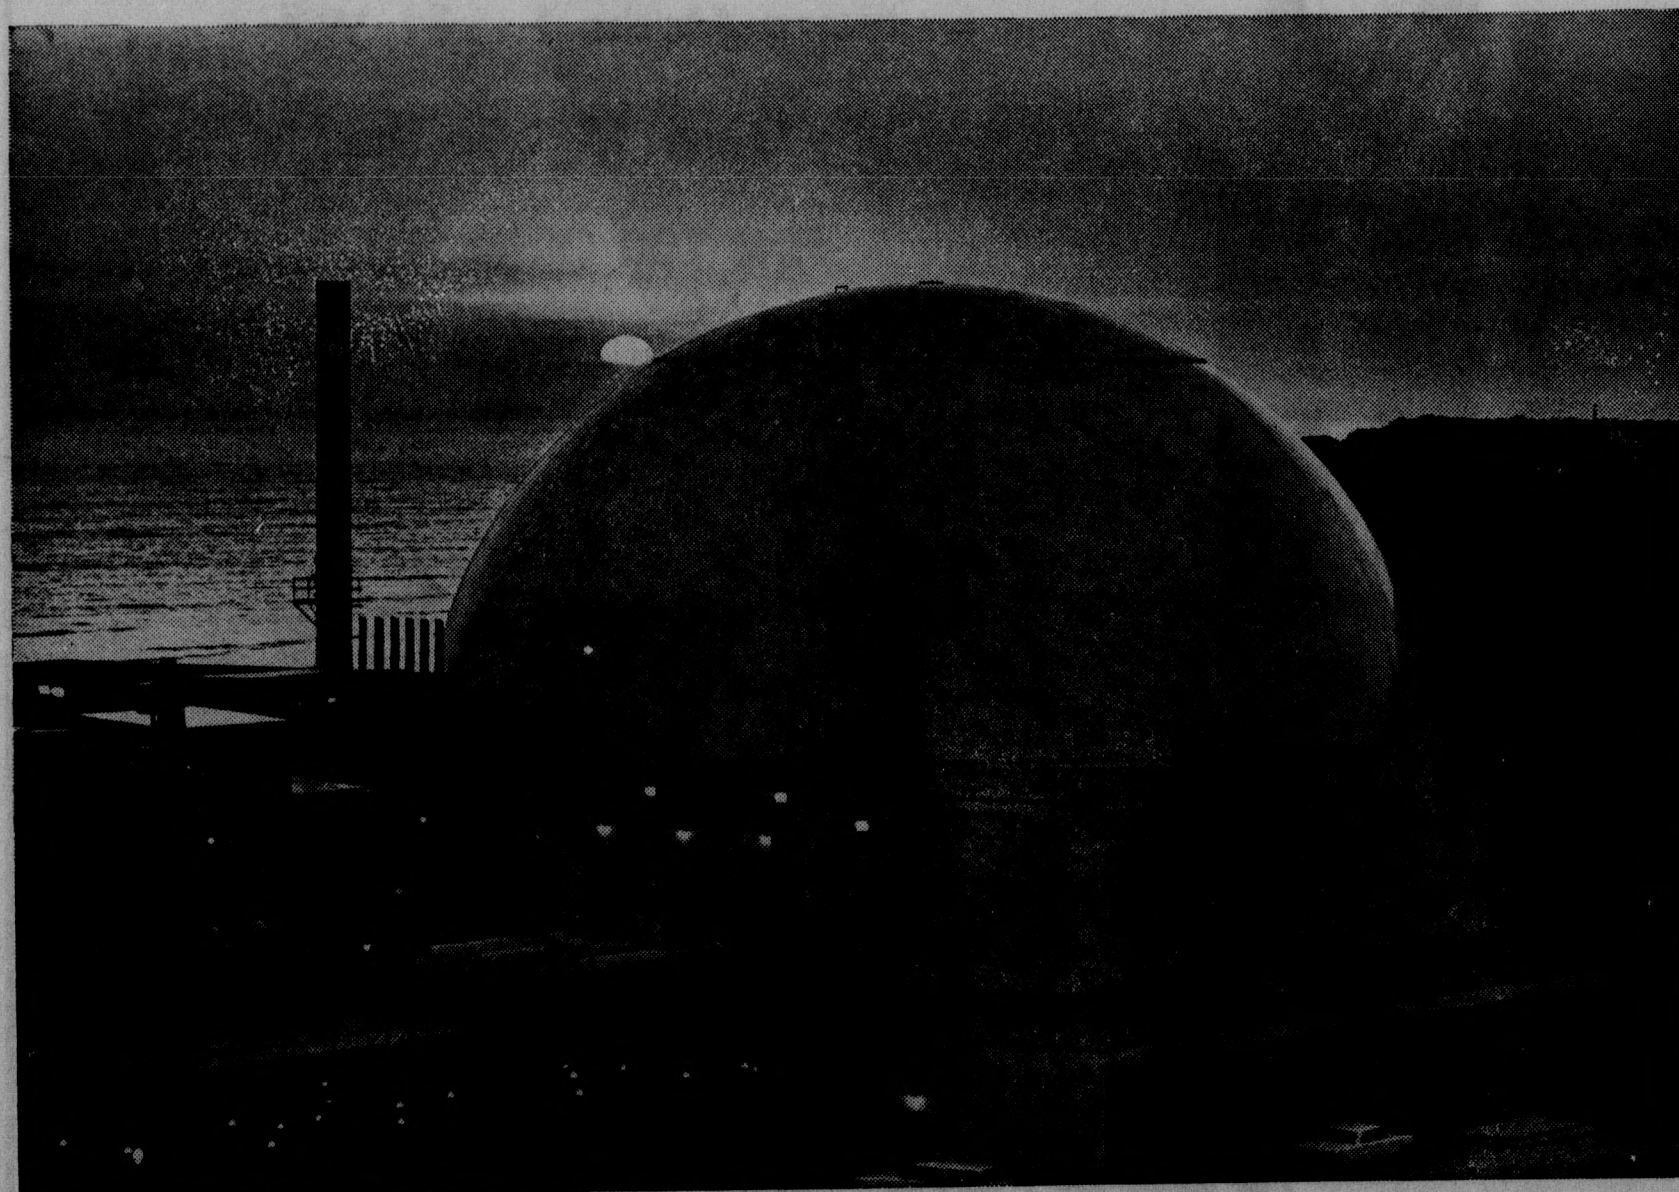

I would like to take this opportunity to invite everyone in town to become an active member of the Float Association and watch the paper for the first meeting of the year, probably in April.

It has been a pleasure to work with you again this year.

# The peaceful use of the atom comes to Southern California

Our San Onofre nuclear generating station is now feeding electricity into Edison lines. Because you're getting power from this new source, we'd like to explain how electricity is made from atomic energy.

Inside the 140-foot diameter steel dome that is the most prominent feature of the San Onofre plant is an atomic reactor. The steel reactor vessel, enclosed in a concrete chamber, contains millions of tiny pellets of nuclear fuel. These pellets produce energy in the form of heat. These uranium pellets are only "slightly

enriched." That means that less than four percent of the material is active. In this slightly enriched form, the uranium reacts as a steady, entirely controllable heat source. And that's all it can ever do, because of the kind of uranium it is.

The heat from the reactor is used to turn water to steam. The steam then spins turbines that generate electricity.

The advantages of nuclear stations are that they are clean and quiet and produce electricity economically.

Nuclear generation of electricity is an answer to the ever increasing power needs of growing areas. It's one more way we have to provide you with a constant, plentiful supply of electricity. That's what our customers want, and as an investor-owned utility, it's our business to make sure they get it.

We invite you to visit our San Onofre Nuclear Information Center. It's located on the West side of Highway 101, five miles South of San Clemente, overlooking our nuclear power station. Open daily, 9 am to 5 pm.

## You and Your Neighbor

by NANCY BRYAN

James and Elizabeth Scoville, 272 W. Grand View, entertained family members during the holiday seasons. Attending the Scoville home for Christmas dinner was their son and his family, Mr. and Mrs. Edwin Scoville and 8 years old daughter, Melinda of South Pasadena; their daughter and family, Mr. and Mrs. Eric Parsons of Manila, temporarily of Pasadena; James' parents, Mr. and Mrs. James A. Scoville of Pasadena; James' sister, Mrs. Wallace Merrill of Hemet; and close friend, Mrs. Fanny Sea who resides at the Parkwood rest home in this community. Every year now, for quite a few years past, Scoville relatives have gotten together after the hustle-bustle of Christmas for a gift exchange that has been determined by the drawing of names beforehand. This year James and Elizabeth had the family affair at their home with 23 family members attending.

A house full of family for Christmas Dinner headed the agenda for Fred and Kathleen Purner of 620 South Meadow. Present were their own five children — Stephen, 7½; Juliana, 6; Daniel, 5; Kathleen, 3½; and Andrew, 10 months. "Other family" included Kathleen's mother, Mrs. Ileen Petek of Pasadena; Kathleen's brother, Mark A. "Tony" Petek of Pasadena and his fiancée, Susie Nicholas of South Pasadena; and Kathleen's sister and her

family, Mary Ellen and William Young and their children of this community. Now with the holidays over, Kathleen can really concentrate on the new home being built for them. The two story Spanish style home on Old Oak Lane should be ready for occupancy sometime in February.

Three Sierra Madre youths attended the annual YMCA Christmas Seminar, held this year on December 20, 21, 22, 27, 28 and 29. They are: Dixon Brown, son of Mr. and Mrs. Claude Brown, 49 W. Orange Grove; Miss Debra Wagner, daughter of Mr. and Mrs. Kenneth Wagner, of 205 S. Cañon; and Bruce Peppin, son of Mr. and Mrs. Bruce Peppin, 19 W. Orange Grove. Dixon attended the Mass Seminar while Debra and Bruce attended the Science Seminar. All are 8th grade students at Wilson.

## Letters To the Editor . . . .

Dear Editor:

Remember the character from Dickens' classic? When she was told that the people had no bread, she replied, "Then let them have cake." Today the situation in America is much the same. Americans are being told that the Russian people are mere vassals to the world's most infamous dictatorship, and Americans are asked to do something for these poor, deprived people. The answer, stated by the State Department and echoed by entirely too many Americans, is, "Send them circuses, dancers and musicians." In short, get

involved in a cultural exchange.

Now, does it really make sense, that a cultural exchange is going to show the Russians what America is like, creating in them a desire to emulate our system of government? Even if it did create such a desire, how would the Russian slave bring such a change about in his country?

If we are really interested in helping the people of Russia rather than their slave-masters, we should first help free the people. Then we could be concerned with their entertainment. Isn't it strange that we supply the bread and circuses which busy the minds of the Russians so that they don't have time to look for ways to overthrow the tyranny in their country?

Of course, when we talk about freeing the people of any Communist-controlled country, most think that this is a recommendation for war. Certainly it is not—not insofar as the United States is concerned, anyway. The first step is to stop helping the dictators stay in power through our aid and trade. Let the people in these Communist-controlled countries find out once and for all that it is not Communism at work which is feeding them, but the United States' aid.

For those who really want to see a Communist circus in action, I would recommend a trip to the United Nations—preferably when it is in session.

Yours truly,  
—Richard E. Woodin.

## A Heritage for the Worthy

Above all else, 1967 appeared to be a year when the virtues were questioned—in politics, in economics, in religion and in virtually every other element of the structure of present-day society. What does it all mean? No one really seems to know. Some claim the tearing down of old standards reflects what might be called a healthy renaissance of advanced thought. Others view with foreboding a trend they feel is leading to a moral breakdown and anarchy. The experts are the most confused of all. Sometimes their judgments of coming events are ludicrous. Typical of their inability to assess the future was the recent statement of one of this country's leading financial authorities that the devaluation of the British pound was unlikely because the English program of austerity was so fundamentally reassuring as to make a crisis improbable. By the time this particular forecast was in print, the British pound had been devalued, and no one knows what the future holds for the monetary systems of the world.

Out of all the confusion of 1967, one fact has become clearly obvious—self-government itself is on trial. This is so because the very truths which are the mainstay of self-government are being altered or swept away one after another—truths that were once called "self-evident." These truths have to do with financial responsibility, the integrity of the family, the inviolate rights of persons and property under the law and concepts of individual self-reliance and initiative that are inseparable from freedom under representative government. A gradual decline in respect for these prerequisites of liberty was never more apparent in the observation of many people than during the crucial months of 1967.

Outwardly, the United States is invincible. But, the founding fathers warned nearly 200 years ago that the greatest danger to the American experiment in free government could well come from within. A debauched currency, a weakening pride in individual independence and the gradual ascendancy of state authority are undeniably changing the outlook for constitutional government as we have known it in the United States. Few now living have the capacity to view the present era as it will be recorded in the history books at some distant time in the future. Our present civilization, and more specifically our own country, measured by material progress and the potential for future progress, opens a vista that staggers the imagination. The precepts under which civilization has advanced to this point, and which have brought a greater measure of well-being to more people than has ever been known in the world before, must have a validity that the hippies, the malcontents and the anti-American demonstrators have failed to perceive.

No political party, no single group of citizens is solely to blame for the dismal drift that has put self-government on trial, and as the elections of 1968 approach, we should expect no miracles from our elected representatives. They but reflect the temper and attitudes of the electorate. The signs became abundant during 1967 that a turning point has been reached in the affairs of the world and of our country. As we enter 1968, every one of us should resolve to be worthy of the heritage of self-government—a heritage for which 500,000 men in Viet Nam are laying their lives on the line.

## Setting the ACLU Straight

The American Civil Liberties Union has on a number of occasions made itself suspect in the eyes of a good many liberal-minded as well as conservative Americans by its excesses in the sacred name of human rights. Now one of its most energetic and respected members, has spoken sharply to set the ACLU straight on a recent bit of windmill charging.

Roger Kent, San Francisco attorney, Democratic leader, a civil rights advocate of the highest order, and an ACLU member for 35 years, minced no words recently in rejecting the organization's hair-splitting assertion that U. S. Christmas postage stamps with a religious theme threatened the doctrine of separation of church and state. Said Mr. Kent:

"We shouldn't spend our time and money fighting about things like postage stamps or Christmas carols. Such positions make us look ridiculous even in the eyes of those dedicated to protection of the freedoms spelled out in the Bill of Rights."

How true! There are far greater battles to be fought for civil liberties than the constitutional threat posed by a Madonna on a holiday envelope.

## There Must Be a Moral Here

Year's end is a time for looking at records, and here's one that boggles the mind. More than 600 million dollars in goods will have been stolen from the nation's stores during the holiday bustle. That makes the shoplifting and employee total for 1967 more than \$2 billion, a sum that could hold its head up even in federal financing circles.

It's getting so bad that thievery in stores has become a profession. A Washington, D.C., clothing store operator has reported that one can now get a suit stolen to order. All you do is pick out the style, size and color, pass the word to the right (or wrong) person, and you've got a suit.

The mind does boggle; but as we say in our head-line, there must be a moral here somewhere.

## No Checks?

Americans are the check writing champs of the world. We wrote about 17 billion of them in 1967, and it has been our habit to add about a billion a year to the total. In fact, check-writing is getting to the point, some banking experts fear, that they won't be able to handle them all.

The answer? A checkless society. Already a system of computer accounts has been suggested. Instead of writing a check, a computer would be instructed to deduct the amount from your account and credit it instantaneously to the merchant's, or the doctor's, or whomever.

Obviously this would mean that the user's financial status would be no secret any more, and a lot of people wouldn't like that. As an incentive to sacrifice privacy for prompt payments, it has been proposed that merchants offer a special discount to those using the automated system. It would actually save them money in bookkeeping, etc.

Which takes care of the checks. But what about the balances?

## FREEDOM AT ANY PRICE

by  
DR. HENRY V. WITTY

We have been urged by many concerned people to discuss the process of Group Criticism, perhaps better known to many by its alias "Sensitivity Training." Ed Dieckmann, Jr., recently covered the subject so well in the American Mercury that we herewith quote him in part:

"Recently State Senator John G. Schmitz told me, in discussing a social phenomenon that has spread like cancer, not only throughout California, but to every state in the Union: 'It appears to be aimed at destroying the independence, self-reliance of the individual — the foundations of both liberty and good government.'"

"He was referring to that perversion of group therapy: 'Group Criticism'—a method of social control through social pressure that is used by every communist regime in the exact form now spreading throughout our Nation. Only it is never called Group Criticism—but something dear to the hearts of guilt-ridden liberals, 'Human Relations', perhaps, or 'Operant Conditioning'.

Most often of all, however, you will hear it called 'Sensitivity Training'.

"Now, as many who read this will recognize, this process, usually under the name Sensitivity Training, has been around for several years, ever since social psychologist Kurt Lewin developed the idea in the early 1950's. Industries, businesses, groups of professional people such as doctors, lawyers, architects, have submitted to it on a voluntary, short-term basis where its destructive effects would not be widespread — although many who participated still do not speak to each other to this day.

"But today there is a new generation — and the situation, backed, as will be shown, by communist and communist influences, is much worse.

"Sessions take place in private living rooms anywhere from San Diego to, of course, Berkeley. Or the 'scene,' as some devotees call it, may be a hall or lounge at UCLA's Conference Center at Lake Arrowhead; the Western Behavioral Sciences Institute at La Jolla; a conference of business executives at a 'retreat' in Ojai Valley; or simply a meeting of students at San Diego State College.

"The Esalen Institute at Big Sur is a favorite location for many avantgarde artists, writers and liberal intellectuals."

"But that is not all. The process has made a beachhead in State Civil Service, notably in the Departments of Mental Hygiene and Corrections — where it is used on the staff, not the inmates, on a mandatory basis.

"But what is this Group Criticism — this 'Sensitivity Training'?

"Actually it hides behind nearly twenty names, depending on the mood of the 'intellectuals' who push it and the type of 'audience' they have picked for a target.

"Group Criticism defined as 'Self Criticism followed by Mutual Criticism, always in a group setting' originated at the time of the Twelfth Anniversary of the

Russian Revolution in 1929. Included among the party slogans that year was: 'Through Bolshevik self-criticism we will enforce the dictatorship of the proletariat'.

"Called Sama Kritika, it was inspired by the Party advisers, the dreaded G.P.U. or communist secret police. Briefly, the mechanics were as follows:

"The entire population would be divided into small groups or 'collectives' of ten to twenty persons each, which would meet regularly on a mandatory and permanent basis so that no member would have any real life outside the group. Each group would sit in a circle, members facing each other without any 'protective tables' or other furniture between; then each would take his turn criticizing himself, his faults and shortcomings, no matter how trivial. Each would be encouraged to be 'frank' and tell exactly how he felt about the other members, who would then criticize him.

"The object? To locate . . . individualists and original thinkers. The practice, of course, created a spirit of distrust and fear among the people, isolating each from every other. And it was further affirmed by the secret police, human nature being what it is, that most of so-called Self-Criticism would be aimed, not at the self but at the other fellow.

"The result? Police state control, arrests and disappearances, usually after a 'frank' criticism session; and frozen fear and terror among those who remained.

"In California, as you read this, the exact process is taking place in the Departments of Corrections and Mental Hygiene, as we have mentioned. The sessions are mandatory and, instead of arrests and disappearances, the displeasure for individualism comes forth in poor employee performance ratings."

—Next week more about Group-Criticism.

## Nurse Training Applications Now Accepted

Applications for testing for Spring registration in the Franklin Adult School Practical Nursing classes, conducted at the Glendale Community Hospital, 800 S. Adams, Glendale, are still being accepted according to William R. Warden, principal.

Any person interested in training as a Practical Nurse should contact the hospital only for an appointment for aptitude testing by calling 245-3195 or 247-2700 between 10 a.m. and 7 p.m. as soon as possible.

Only persons who successfully pass the aptitude test, as conducted by the Division of Adult Education, will be registered in the Spring Practical Nurses' Training program. Registration and testing will close on January 10.

Widows on the VA pension rolls who are so seriously disabled that they need regular aid and attendance may receive \$50 a month in addition to their pension, according to the Veterans Administration.

## Out of the Cobwebs

60 Years Ago:  
January 10, 1908

Three cases of smallpox were recently reported within a short distance of Sierra Madre; one at Sierra Madre Villa, one at Hastings Ranch, and the other at the Chapman Ranch.

The stone retaining wall around the Congregational Church property is being neatly pointed up this week by Mr. Joel Poole.

Mr. and Mrs. Twycross have just returned from a trip to Beaumont, where their son, Convers, is at present on a surveying party.

40 Years Ago:  
January, 1928

Sierra Madre scores again. Lee Shippey, whose feature column is the saving bright spot of the editorial page of the Times, has brought his family here to reside. Readers of that great metropolitan daily who have been enjoying the good humor and illuminating comment in "The Lee Side of L.A." will be keenly interested.

Mrs. Roland Adams and her small daughter were guests at the home of Mrs.

Adams' mother, Mrs. Appleby, in Ocean Park over the weekend.

Mr. and Mrs. Walter J. Heber and Mrs. Minnie Heber were Sunday guests in the Henry Ridd home in Los Angeles.

10 Years Ago:  
January, 1958

Mr. and Mrs. Charles Tye, 200 S. Mountain Trail, have been invited to present a full evening's entertainment at the Altadena Old People's Home at 7 p.m. Wednesday, Jan. 15.

Walter Sheasby, 215 N. Baldwin, was the winner of a four-day vacation for two in Las Vegas with reservations at the Thunderbird Hotel. Sheasby won by drawing the lucky ticket at the Southern California Rattan Co. in West Arcadia.

The church council of the United Lutheran Church named Charles Abbe secretary and Rollo Pickford as treasurer, at a meeting Monday night. They will serve until the congregation, which began services here last October 27, is formally organized later this year.

## Delta Delta Delta Meets Jan. 15

Mrs. Donald M. Sperry will entertain the members of Pasadena Area Chapter of Delta Delta Delta Monday, January 15 at her home at 1501 Oak Meadow Lane, South Pasadena. Dessert will be served at 12:30 p.m.

The president, Mrs. R. Vincent Douglas, will preside at a short business meeting to give National Sorority reports and to consider the question of having a spring benefit. The business meeting will be followed by a silent auction and bridge.

Co-hostesses will be Mrs. T. E. Montgomery, Jr. of Alhambra and Miss Katherine Hall of South Pasadena. All Tri Deltas are invited and may call one of the hostesses for reservations.

## Hospital Aux. A Fun Group

This time of the year has truly been one of fun and excitement for hard working members of the Sierra Madre Community Hospital Auxiliary.

December was an all-out party month beginning with the association meeting. All regular business was set aside at the meeting for a spirit of true Christmas cheer, beautiful entertainment by Sue Pickren and a hilarious skit by the Auxiliary players.

The next week President Juanita Tilley hosted a luncheon for her board members and chairmen, enjoyable for all. Then Helen Fader's lovely home was the setting when she played hostess to the Grand Slamers bridge group. And during Christmas week Vir-

ginia Wallis and Irene Delahooke gave a beautiful Christmas tea at Virginia's home.

Still in a fun mood the Auxiliary started the New Year off with a bang, with a most successful "Day at the Races," on January 5 at Santa Anita. With 150 members and guests turning out for this charity event, a perfect day of made to order weather, the excellent Club Terrace location and setting that even those who might have picked the wrong horses couldn't help but be winners.

## Secretaries To Meet Jan. 11

The International Program of the Year will be observed by the Pasadena Chapter of the National Secretaries Association, International at their regular meeting on Thursday, January 11, at Eaton's Santa Anita at 6:30 p.m.

The speaker for the occasion will be Mr. Paul Cunningham, vice president and manager of the Security First National Bank at Lake and Colorado, Pasadena. He will speak on "Banking in Action."

All interested secretaries, husbands of members, and guests are cordially invited.

## Jan. Arm Chair Travelers At Library Jan. 17

On Wednesday, January 17 at 7:30 p.m. in the Sierra Mesa Cafetorium, the Friends of the Sierra Madre Library will present Mr. and Mrs. Henry McLean who will speak on hiking in mountains and volcanoes of Hawaii. This represents the January program for the Arm Chair Travelers, a group dedicated to sharing the experiences and pleasures of travel.

The McLeans have enjoyed hiking and camping in California, Arizona and Colorado. The presentation of their Hawaiian adventures will include slides of their trek up the slopes of Mauna Loa, the highest

give notice to the Superior Court of Substitution of Attorneys.

After much deliberation and thought, Ralph Rule chose as his first choice Attorney G. Norman Kennedy to represent him. Attorney Kennedy accepted the selection on Monday and Mr. Rule filed the notice of substitution with the Court on Tuesday, January 9.

Having just accepted the case, Attorney Kennedy may make a motion to the Court to give him an extension of time so that he may study the details before the trial date is set.

## Kappa Delta Meets Jan. 16

The January meeting of the Pasadena Alumnae Association of Kappa Delta will be held on Tuesday, January 16 at 7:30 p.m. at the home of Mrs. Ernest Maag, 520 Lakeview Rd., Pasadena. Their guest speaker will be Mr. Carpenter of the Huntington Library and Art Gallery.

Assisting Mrs. Maag on her committee are Mrs. E. H. Collender, Mrs. Robert L. Wright and Miss Eleanor Pratt.

The group will complete arrangements for their annual Diamond Jubilee Potluck Dinner to be held in February.

## Eugene Fields PTA Luncheon

A luncheon and board meeting of the Eugene Fields PTA was held Wednesday, January 10 at the home of Mrs. Paul J. Narowich, 1460 Old House Road. The coming theater party was discussed. It will be at the Glendale Center Theater at 8:30 p.m. on Wednesday, January 17. The play is "Heaven Can Wait" and tickets are \$1.75 each. These may be purchased from any of the following persons: Carolyn Benedict, 791-1346; Elva Reid, 355-8680 or Audrey Devine, 798-6324.

## Sunday Topic For Congregational

"The Nature of God" will be the topic dealt with by the Reverend David G. Howell during the 10 a.m. worship service of the Sierra Madre Congregational Church next Sunday. This sermon will be the first of a series of sermons announced by Rev. Howell on the theme, "A Brief Course in Christian Theology." Mr. Howell, in following weeks, will discuss the nature of man, the nature of Christ, and will end the series with a sermon on the nature of love.

At a recent meeting of the Diaconate Board, two special Sunday observances have been proclaimed. January 21st has been designated as Laymen's Sunday, with a lay speaker to be announced. On February 4, tribute will be paid to the young people of the church with the celebration of Youth Sunday.

## Holy Communion Scheduled For Faith Lutheran

Holy Communion will be celebrated in the 10:30 Sunday morning worship service at Faith Lutheran Church, 845 Hastings Ranch Drive, at 11 a.m. every Thursday. A class in paper mache at 9:30 a.m. precedes this meeting.

January 21 Dr. Fenwick L. Holmes will speak. His subject will be "Who Do You Think You Are?" During the 9:15 Sunday school hour, Dr. Donald Garner will lead the Adult Bible Class in a study of the first section of the Epistle to the Colossians. The Junior Instruction Class for grades 7 and 8 will meet on Wednesday afternoon at 4, and the Children's Weekday School for Grades 1-6 will be conducted on Thursday afternoon at 3:45.

Mr. Donald Hingst is presenting a study-action course on "Personal Witnessing" in the Midweek Bible Hour on Wednesday evenings at 7:30. On Tuesday night at 7:30, Psychologist Norman Miller will continue his lecture-discussions on "Christian Marriage and the Home."

Other parish activities scheduled next week: The Walther League progressive dinner on Sunday evening at 6; Junior Choir rehearsal on Monday at 7:30; the L.W.M.L. Sewing Group on Wednesday morning at 10; the Women's Christian Service Guild on Wednesday night at 8:30; the Senior Choir on Thursday at 8; and the J-Y hike and picnic on Saturday.

## Speaker At Ascension Parish

JOHN ARNOLD FORD will be the topic of John Arnold Ford when he speaks before the Ascension Parish Day School Parents Club, on Wednesday, January 17, at 8 p.m.

Mr. Ford, whose appearance is jointly sponsored by Southern Counties and Southern California Gas Companies and the Southern California Symphony-Hollywood Bowl Association as a community service project, will discuss the cultural assets of the Southland at the meeting.

Mr. Ford, who is the son of retired Los Angeles County Supervisor John Anson Ford, will illustrate his talk with slides and vocal selections. He has appeared as bass soloist with the San Francisco and Los Angeles Opera Companies and with the L. A. Philharmonic Orchestra and Hollywood Bowl Symphony. He has also sung roles in opera and light opera productions throughout the United States.

Founder of the Educational Opera Association, Mr. Ford, will spotlight the Hollywood Bowl and the new Los Angeles Music Center, among other local landmarks, in providing information on the area's cultural advantages.

**Second Year**  
"Honor Certificates."  
Fun entertainment by Steven Shaffer with his "magic tricks." A very special event for Toy Loan borrowers.

## Sunday Topic Announced

Dr. Winifred L. Gaubert will be the guest speaker at The Santa Anita Church, 226 W. Colorado Blvd., Arcadia, on January 14 at 11 a.m. Dr. Gaubert is an outstanding religious leader and heads the metaphysical church in London, England. Her subject will be "New Words For Old." All are cordially invited to worship in this non-denominational church. Infant and child care is provided during the service.

Graded classes for youth from kindergarten through eighth grade will be conducted after a sermonette in the sanctuary. These classes are a vital part of the church. The groups for high school youths and young adults meet on the first and third Sundays of each month at 7 p.m.

The Santa Anita Church is sponsoring a new single group discussion time at 7:30 p.m., Sunday, January 14. They welcome ideas and assistance as to how to serve the needs of single adults. Please call 446-8206 for details.

There is an open class for all women lead by Margaret M. Stevens held in the Fireside Room of Fellowship Hall at 11 a.m. every Thursday. A class in paper mache at 9:30 a.m. precedes this meeting.

January 21 Dr. Fenwick L. Holmes will speak. His subject will be "Who Do You Think You Are?"

## BIA Members To Install Officers

The big event of the year for the San Gabriel Valley Chapter of the Building Industry Association of California will be held Saturday, Jan. 13, at the Huntington Sheraton Hotel in Pasadena.

This annual inaugural dinner dance promises to be the best one ever held. Mr. Harvey Hansen Sr., a member of the Association for over 32 years, and during this time served on more committees than he can remember, in 1942 was elected to the highest post, that of state president, will do the honors of installing officers, seating Homer Peterson as president, Larry Hazen as first vice president, Mike Vallone as second vice president, Henry Grimmer as treasurer and Harry Kasbaum as secretary.

Outgoing President Verne Hall will be master of ceremonies, keeping the program lively from the cocktail hour starting at 6:30, to the last dance of the evening, which, besides the actual installation, includes the presentation of special service awards, to the still unnamed recipients, to the distribution of the many door prizes, and keeping Danny Stewer and his orchestra swinging till the early hours of the morning.

MY NEIGHBOR, the guy who leaves his Christmas lights up all year, says the Oklahoma-Tennessee game was the best on the tube during the New Year's grid weekend; that O. J. Simpson was the best runner, Granville Liggins of Oklahoma the best lineman, Bear Bryant of Alabama the biggest ham for his bear-hug congratulations of former pupil Gene Stallings whose Aggies beat the Tide; LSU perpetrated the biggest comeback after trailing 13-0; The Texas Aggies Cadet band was the best but the Orange Bowl's 30-minute float display was the top halftime attraction. Mining History

The first mining in the Sudbury District of Ontario began in 1886 when some 3,000 tons of copper ore were removed. Today the area is the world's leading source of nickel, yielding nearly 20 million tons of ore annually.

# TRANSIT TOPICS

News and information about your public-owned transportation system, published in this newspaper as a community service from the Southern California Rapid Transit District.

by  
**ARTIE DEE**  
Transportation Editor

With the holidays over, we can get back to normal and resume the mundane chores like work and how to get there. Quite often when I write about going to work on the bus, I hear from people who say things like, "It takes me three buses and two hours to get to work, who are you kidding?" Well, not them obviously, but to hundreds of good folks, it won't take three buses and two hours. In fact, it could take as little as one bus and minutes. Send for a system map and see for yourself. It could mean one less license to buy this year.

Did you lose something on an RTD bus? Chances are good RTD has it in their Lost and Found Department. They have everything from lower plates to flea powder just waiting to be claimed. Unless articles are picked up before the operator goes through the bus, they will be turned in at the end of his shift. By calling RI 9-6977 and identifying your lost article, you will be told if they have it. The only items not kept are perishables, children, pets or mothers-in-law.

Santa Anita is off and running for 1968. 75 days of thoroughbred racing that began December 26, 1967 and running through April 6. Located in the beautiful foothill city of Arcadia, where you can drink in the scenery as the fleet-footed speedster you bet on develops claustrophobia and stops for a breather, RTD is operating special service again this year from Riverside, Santa Ana, Hollywood and many other locations including direct service from the new Los Angeles Terminal.

Q. I would like to take my grandchildren to the beach on the bus. What is the best way from Lake and Colorado in Pasadena? Also, can I get to Citrus College from the same place? Mrs. W.H.V.

A. The 61 Line at Colorado and Los Robles goes to downtown Long Beach about a block from the water. The 64 Line on Colorado Street, Pasadena, stops in front of Citrus College. I'll send you a timetable and a map.

Q. How can I get to March Air Force base from Montclair? Mrs. R.A.

A. The 60 Line running through Montclair on Holt will take you to Riverside where you can catch the March Air Force bus line in front of the Greyhound/RTD depot.

Q. Can I get to the Methodist Hospital in Arcadia from Alhambra? I want to go in the evening, Mr. L.J.

A. Catch the 79 or 61 Line to Huntington Drive and the 68 Line to the hospital.

Q. How do I get to Double Drive in Temple City from South Pasadena? Mrs. A.L.C.

A. Catch the 79 Line on Mission and Fair Oaks in South Pasadena and ride to Garfield and Main in Alhambra. Change to the 52 Line to Double Drive and walk south to the number you want.

Send your questions to Transportation Editor, Artie Dee, care of this newspaper. All questions will be answered in the column or by mail. A system map will be sent free to each person submitting a question. No stamps or stamped envelopes are necessary. Call 747-4455 for detailed information.

## March of Dimes Stages Children's Art Show Through Jan. 26 In Los Angeles

The third annual March of Dimes Children's Art Show opened on Monday, Jan. 8, at the Occidental Center, Garden Level, of the Occidental Life Insurance Company of California building, 12th and Hill Streets, Los Angeles. It will be open to the public without charge.

Los Angeles County March of Dimes executive committee member Mrs. Henry Fennel, originator and chairman for the show, is being assisted by fellow member, Mrs. John Swallow. The chairman states that the exhibit will feature crayon drawings of young artists who are patients at the local March of Dimes Birth Defects Treatment Center at Orthopaedic Hospital. Additional drawings in water color or from handicapped children of the Lowman Street School of the L.A. City Schools also will be featured.

The entire collection will be on display daily from 9 a.m. to 5 p.m. through January 26. Following the initial showing, it will tour L.A. County.

The drawings will be judged by Mrs. Clark Gable, television and motion picture actress Gigi Perreau, and Dr. Oliver Nichols, coordinator of the local treatment center. The individual handicap of the entrant will be considered in the judging. Savings bonds will be presented to the winners, and each child entering the contest will receive a toy, donated by a local toy manufacturer.

## Glen Lipscomb Opens New Claremont Office

Congressman Glen Lipscomb (24th District) has announced the opening of a new 24th District Congressional office located at 114-E North Indian Hill Blvd., Claremont.

The Congressman also said that Mrs. Fred (Aileen) Bruderlin has accepted the position as secretary in the newly opened office. Mrs. Bruderlin will staff the office Monday through Friday from 9 a.m. until 3 p.m. Mr. William H. Byers will continue as 24th District Field Representative, a position he has held for the past year. Formerly the main 24th District office was located in South Pasadena. Miss Anne Kolz, who has served as secretary in the 24th District office there for the past six years, has retired. Congressman Lipscomb said that arrangements are being made to appoint a replacement for her and that the announcement is expected to be made in the near future. He said that because of the size of the District he considers it important to maintain a staff member in that section of the District also for the convenience of residents of that area.

The Congressman stated that the telephone number available to the 24th District residents who wish to call the District office will be area code 714, 626-1231.

Congressman Lipscomb's Washington office address is 2245 Rayburn House Office Building, Washington, D.C. 20515, and the telephone number is area code 202, 225-4206.

## Estella Gammon Art Now On Display At Altadena Federal Savings & Loan

Another outstanding art exhibit is now taking place at Altadena Federal Savings & Loan. The exhibit consists of several selected renditions from the studio of Miss Estella Gammon, noted Pasadena artist. This latest exhibit is in the tradition, established several years ago by the Association of displaying works of noted Altadena-Pasadena artists in the lobby of the head office.

Miss Gammon has shown her paintings at "one-man" shows at La Jolla, Padua Hills, Altadena, North Long Beach, La Canada, Fountain Valley, plus participating with other artists in a variety of other exhibits. In addition, she has helped exhibit the work of several of the students she has taught throughout the years. One of her pupils won a national award for a painting created under her supervision; another won a first prize at the San Diego Fair.

As a native of Pasadena, Miss Gammon received inspiration to pursue her career as a teacher-artist from the Pasadena sculptor, the late Maude Daggett. Academically, she studied art at Pomona College with Hannah T. Jenkins and at Teacher's College, Columbia University, with Arthur Dow. During her summer vacations from teaching, she also studied with various artists, including Anna Hills of Laguna and Orin White of Pasadena. For years she has been a member of the Women Painters of the West. Her name also has been mentioned in "Who's Who in American Art."

Three quarters of a million veterans receive hospital treatment each year in the 166 Veterans Administration Hospitals.

### COMMUNITY HOSPITAL

Mrs. George Koch, 265 W. Grand View Ave., was a patient overnight at Sierra Madre Community Hospital.

Staff members and employees at Sierra Madre Community Hospital sent their patient Thoburn Jones home last Tuesday morning with best wishes and solicitous warnings to — watch it! Mr. Jones, the hospital pharmacist, had been a patient in the hospital for five weeks after having made a most dramatic response to on-the-spot emergency treatment. During his stay in the hospital, his wife Helen and his daughter, Mrs. Ronald Bell, remained constantly by his side. They made their home at 151 N. Primrose, ready for his homecoming with the fervor of preparations for the arrival of royalty.

David Patrick, the year old son of Mr. and Mrs. John Quarnstrom of 107 E. Laurel Ave., was a patient briefly at Sierra Madre Community Hospital during the past week.

Mr. and Mrs. Lloyd Langham of 1835 E. Huntington Dr., Duarte, have a new daughter, Eunice Mary Sue, who was delivered at Sierra Madre Community Hospital on Thursday, January 4, weighing 8 pounds, 7 ounces. She has a brother Jesse Wayne and a sister Anita Marie.

Sierra Madre Community Hospital had its New Year's baby when John David Berndt was delivered that day at 6:30 p.m. He was a husky cherub, weighing 9 pounds, 1/2 ounce. His parents, Mr. and Mrs. Edward Berndt, who live at 1008 E. Amstead St., Azusa, have three other children — Laura Aileen, Karen Katherine and Nicholas Edward.

Both maternal and paternal grandmothers were on the cheering line when Mr. and Mrs. Ray Shackelford's new son, Timothy Ray II took bows en route to the nursery on the morning of Saturday, December 30. He was delivered at Sierra Madre Community Hospital,

weighing 6 pounds, 3 ounces. The Shackelfords live at 527 E. Ada St., Glendora. They also have a daughter, Deborah. Maternal grandparents, Mr. and Mrs. Robert Wortham, reside at 422 E. Highland Ave., and paternal grandparents, Mr. and Mrs. R. E. Shackelford are also residents of Sierra Madre, living at 400 W. Carter St.

Mr. and Mrs. Ricardo Mendez who live at 275 N. Chester St., Pasadena, are happily engaged in parenthood for their first time. Their daughter, Olga Jennette, delivered at Sierra Madre Community Hospital on Saturday, December 30, weighed 8 pounds, 10 ounces.

Melissa Barraclough, living at 325 N. Baldwin Ave., underwent a tonsillectomy at Sierra Madre Community Hospital on Tuesday of last week.

### Annual Youth Aliyah Luncheon

The San Gabriel Valley Chapter of Hadassah takes pleasure in announcing its Annual Aliyah Luncheon. This affair is being held in the Georgian Room of the Huntington-Sheraton Hotel of Pasadena Tuesday, Jan. 23, at 11:30 a.m.

Mrs. Judith Epstein, Hadassah liaison officer to the United Nations, past national president of Hadassah, and editor of the Hadassah Magazine, will be our honored speaker. Mrs. Epstein is nationally renowned as a speaker and a woman who is dedicated to doing good the world over.

Marco Valenti, a singer who appeared on the Phyllis Diller, Tony Martin, and in many Las Vegas shows, will entertain the guests with his talented rendition of songs and humor.

The San Gabriel Valley Chapter of Hadassah looks forward to greeting its members, their husbands, and all well wishers for the land of Israel on this occasion.

There was a record 26 million veterans in civil life in the United States at the end of 1967, the Veterans Administration announced.

## Descanso Garden Classes Still Open For 1-9 Grades

Parents may still register their children of grades 1 through 9 in any of the four after-school and Saturday gardening and nature classes to be given this winter at Descanso Gardens, La Canada.

With the first class scheduled to begin January 17, parents are not required to follow the customary procedure of writing in for registration forms. Instead, they may confirm registration of their children by telephone, calling Descanso Gardens, 790-5571, and asking for Youth Education.

The classes to be given at Descanso are: Indoor Gardens, for grades 1 and 2, meeting once a week for six weeks. Gives children first-hand experience with seeds and cuttings; also teaches how to plant terrariums and planters. Exploring Nature, for grades 3 and 4, meeting once a week for nine weeks. Introduction to plant and animal life of the chaparral. Emphasis on conservation, observation, and systematic organization of materials collected and observed.

Gardening, for grades 5 and 6. A semester course meeting Saturday mornings. Gives experience in soil preparation, seedling, transplanting, cultivating and harvesting of assorted vegetables. Students have individual plots to work.

Pre-vocational Gardening, from grades 7 to 9. A semester course meeting Saturday morning. Designed to give horticultural and gardening experience with emphasis on propagation, fertilizers, insect control, pruning, and the development of ornamental garden plots.

## Villa Views

It at all. They had a delightful drive on Highway No. 1 and took time to explore on the way up, making one stop at Jade Beach. On their return they stopped overnight at the Madonna Inn at San Luis Obispo. Unfortunately, Margaret and her daughter, Lisa, had contracted the flu and spent all of their time in bed, but they have high hopes of returning at a later date.

The Howard Morgridges are back home again after a long weekend at Lake Mammoth for skiing with their daughters, Susan and Shan. They went up in their camper, so there was no housing problem involved.

The Kenneth Christiansons returned from their Yule vacation at Sun Valley and for the first time in 19 years there was no traditional snow storm on Christmas Eve. This made it a little sad for the real enthusiastic skiers, although Peg said that she and Ken had enough snow to satisfy their needs.

The Dr. Robert Muellers are home again with their two children, Steve and Melissa, after a two-week trip to Honolulu. This was the nicest Christmas present a family could receive. Bob's parents, Mr. and Mrs. Elmer G. Mueller, took them and the Tom Taylor family with their two children, Philip and Kathy, for a two-week stay at the Hali Kulani Hotel at Waikiki Beach. The boys took their surfboards along and spent the whole two weeks perfecting their skills.

In order to make it seem like Christmas, the senior Muellers took along all sorts of decorations and Christmas lights to decorate their rooms. Can you think of a nicer way for a family to spend Christmas and New Year's together?

### Luncheon

The Pasadena Chapter of the National Secretaries Association will present a luncheon and fashion show at the Huntington-Sheraton Hotel, Pasadena, on Saturday, January 20, in the Viennese Room. There will be a social hour at noon with luncheon served at 1 p.m. Price will be \$4.75. For reservations contact Kathy Houck 283-1616 (home) or 628-9211, extension 63008 (work) by January 10.
